## CEO message

Congratulations on the release of the second issue of Wadia Journal of Women and Child Health (WJWCH).

Scientific literature in the field of women and child health is vast and the journal showcases some of the aspects of the ardent work done by doctors and nurses of Wadia Hospitals. With time, the journal will evolve to expand its horizons and will have wider coverage of topics and spread among scientific community as one of the important resources for scientific literature in the field of women and child health.

At Wadia Hospitals, we strive to achieve quality patient care, keeping in mind patient safety through establishing customer friendly processes and employee empowerment.

The Wadia Hospitals, have many accreditations and the list is ever increasing with the latest addition of international accreditation by the American Accreditation Council International. Bai Jerbai Wadia Hospital for Children is the first Hospital in India to undergo the assessment as per the international standards of care and we have been awarded the AACI certificate.

We take this opportunity to thank all the stakeholders of Wadia Hospitals and more importantly our patients. Wish everyone a grand success with the second issue.
